HALLS HAIR VEGETALE SICILIAN

RENEWER

ty of this valuable Hair Preparation;

which is due to merit alone. We can assure our old patrons that it is

kept fully up to its high standard;

and it is the only reliable and perfect-

ed preparation for restering GRAY

OR FADED HAIR to its youthful color,

making it soft, lustrous, and silken.

The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic prop-

erties, prevents the hair from falling out, as it stimulates and nourishes

the hair-glands. By its use, the hair

grows thicker and stronger. In

baldness, it restores the capillary

glands to their normal vigor, and

will create a new growth, except in extreme old age. It is the most eco-

nomical HAIR DRESSING ever used,

as it requires fewer applications, and gives the hair a splendid, glossy

appearance. A. A. Hayes, M.D.,

State Assayer of Massachusetts, says,

"The constituents are pure, and care-

fully selected for excellent quality;

and I consider it the BEST PREPA-

RATION for its intended purposes."

as one of the most effectual remedies ever discovered for ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its metained by its re-

utation, based on its intrinsic virtues, and sustained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so scarshing as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful anti-dote, and disappear. Hence its wonderful dote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, of Scrofula, and all scrofulous diseases, Utcers, Eruptions, and cruptive disorders of the skin, Tumors, Blotches, Bolls, Pimples, Pustules, Sorcs, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsin, Pits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhæa, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the

strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of
